SPAX SSX Up-rated Lowering Springs for Citroen C3

There aren't too many performance upgrades for the Citroen C3 as yet, but suspension tuners, SPAX, are leading the way by announcing an up-rated, cold wound, silicon chrome spring kit for this latest Citroen model.

The SPAX SSX spring kit will lower the car by -40mm and make the car better, safer and more fun to drive.

At just **£124.99** including VAT, a set of SPAX SSX up-rated and lowered performance springs must be one of the best value and worthwhile improvements any C3 owner could make. SPAX SSX kits are available from all good SPAX retailers.
